

NEW INDEX NOW AVAILABLE

An *Index to the Chat, Volumes 26-40*, compiled by Eloise F. Potter, is now available free to CBC members. It was printed as a courtesy to Carolina Bird Club by the North Carolina State Museum to facilitate ornithological research in the Carolinas. The club is grateful to the Museum for this moral and financial support.

Anyone wanting a copy of the Index should send a self-addressed 6½ x 9½ inch envelope (the one your *Chat* came in will be fine) stamped with 41¢ postage to any of the three addresses given below. We are trying to share the work load for this volunteer service. The Index will also be available at the Fall and Winter CBC Meetings.

Now would also be a good time to order the 1978 *Checklist of North Carolina Birds*. Normally this publication is \$1.00 by mail, but copies will be sent out with the Index for the over-the-counter price of 75¢ plus 13¢ extra postage (total of 54¢).

Index only	No charge	41¢ postage
Index and Checklist	75¢ (one copy)	54¢ postage
